

**COUNCILMEMBER DONNA FRYE**  
City of San Diego, Sixth District

**MEMORANDUM**

**DATE:** August 6, 2007  
**TO:** City Attorney Mike Aguirre  
**FROM:** Councilmember Donna Frye  
**SUBJECT:** Ocean Works Development's Notice of Claim

---

I received a Notice of Claim from an Encinitas based company that is trying to claim a large area of ocean for a floating airport approximately 10 miles of the coast of San Diego. In the notice, it says that all challenges to the claim must be filed by October 16, 2007. Please advise what options the City Council has in challenging this claim.

Thank you.
